Say “I do” with the breathtaking backdrop of the Kananaskis Valley stretching out in front of you. Outdoor ceremonies are stunning at the Lodge and, with two unique outdoor locations to select from, you’re sure to find a vista you love. Ceremonies can be booked for a two-hour time frame between the hours of 8:00am and 8:00pm.

All ceremony locations, or viewpoints, are on Government of Alberta Crown land and are designated by Alberta Environment & Parks. Due to this, a special event permit must be purchased from them for a fee of \$100 plus GST.

For information regarding permits, permissible chairs, viewpoints, and to make a booking, please contact the Alberta Parks Kananaskis special events at:

GUEST ROOM BOOKING OPTIONS

We are happy to offer two booking options so you may select which works best for you.

Open Online Booking

You will be provided with a code that your guests can use while booking to receive 20% off the best available rate. This allows your guests to book any room they would like with no financial obligation to you.

This option does not guarantee your group any rooms and is based on the hotel's availability. All rooms throughout the hotel will be booked on a first-come, first-serve basis with rates fluctuating based on demand and time of year.

Closed Block

This option guarantees a specific number of rooms are available to your group at an agreed-upon rate up to 30 days prior to the day of your wedding (or until your block fills up). In order to hold these rooms, you will pay a deposit and be held financially responsible for any unsold rooms.

The benefit of a closed block is the assurance of both availability and rate for your guests. A minimum of 10 rooms per night is required for a closed block.

RULES & REGULATIONS

Closed Block

We count each night booked as a room night. Any rooms booked in the two days pre-wedding or two days post-wedding count toward your minimum room block. For example, if a guest at your wedding stays for three nights, we count that as three room nights. Most people find that a majority of the room block can be filled by immediate family and wedding party.

There is a clause that allows you to release up to 10% of your guest room commitment up to 60 days prior to the event without penalty. Any unused rooms would be charged to your master account.

Check-in commences at 4:00pm Check-out time is 11:00am

If the wedding ceremony is scheduled before 5:00pm, it is strongly suggested that the wedding party be checked-into the Lodge the evening before the wedding.

We cannot guarantee occupancy of hotel rooms prior to 4:00pm.

EVENT MANAGEMENT

The Lodge's professional events team has years of events experience and an intimate understanding of all the ins and outs of a successful celebration. We are here to provide you with the tools and assistance you need to organize and seamlessly pull off the wedding of your dreams.

Pomeroy Kananaskis Mountain Lodge will assign you a **Event Manager**. We highly recommend that you secure the services of a **Wedding Planner** or **Day-Of-Wedding Coordinator**. Both the Event Manager and Wedding Planner are valuable resources, instrumental in making sure that your day goes off exactly as planned, but the two have very different roles that you should familiarize yourself with to avoid any frustration or surprises on your big day.

Your Event Manager will assist you with booking the right function space, arrange menu tastings, guide you through planning your reception, assist with the floor plan, selections of food, wine and beverages, and coordinate staff to execute the food and beverage portion of your day exactly as planned.

Wedding Planners are there to assist you with the details – coordinating rehearsals and ceremonies, cueing music, scheduling vendors, creating a timeline for your day, setting up décor, and above all being there for YOU on your big day!
